*John W. Sheffield, Director*

Dr. Ortiz visited Mérida, México during 11-13 November 1998. He presented the paper entitled "Auditorias Energéticas Internacionales: A Two-Way Technology Transfer" at the "1er. Seminario Nacional de Gestión Tecnológica".

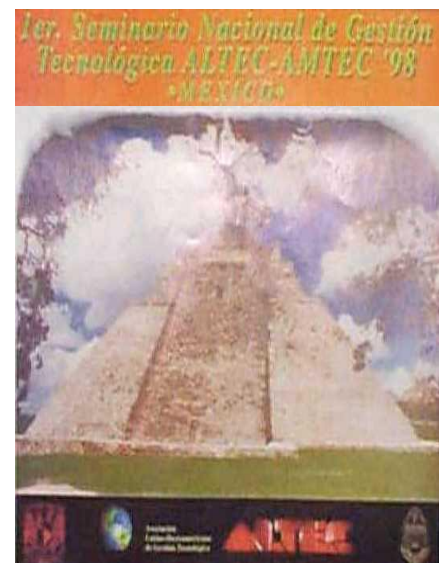

*Proceedings: CD-ROM*

The seminar was organized by Universidad Nacional Autónoma de Yucatán (UNAY), Asociación Latino-Iberoamericana de Gestión Tecnológica (ALTEC), and Universidad Nacional Autónoma de México (UNAM).

In Mérida, Dr. Ortiz discussed the potential for international joint activities with Ing. Alan Garcia Lira, from the Universidad Nacional Autónoma de

Yucatán. Dr. Ortiz also met with Dr. José Luis Solleiro from Universidad Nacional Autónoma de México. Dr. Solleiro is currently President of Asociación Latino-Iberoamericana de Gestión Tecnológica.

*"1er Seminario Nacional de Gestión Tecnológica", 11-13 November '98, Mérida, México*

During the seminar, Dr. Ortiz also met with Dr. Charles Davis, professor at University of New Brunswick in Canada, and with Prof. Juan José Soto Cruz from Universidad Nacional Autónoma de Yucatán.

*Closing Ceremony*
