

# Physics Lab Regrade Request

Use the following form to request a regrade from your lab instructor. Fill out the form and attach it to the cover sheet of the lab in question the day you receive your graded lab from your lab instructor. Your complaint should be sufficiently detailed that no further communication with your TA is necessary. Your lab instructor will take your complaint and return your lab with any change in score at your next lab meeting.

**Name:**

**Date:**
