

## National Association of Basketball Coaches NCAA Division II Men's Basketball Rankings

### 2024-25 Rankings – Dec. 17, 2024 (Poll #5)

Some shuffling took place in the NABC/Division II men's basketball rankings this week, but Nova Southeastern remains at the top of the poll for the fifth straight week as the NCAA Division II winter break approaches at the end of the week.

The Sharks improved to 10-0 to remain atop the rankings, but there was movement after the top spot. Last week's second-ranked team, West Texas A&M, lost Sunday at Texas A&M-Kingsville and fell to eighth as a result, while much of the other moves came as some teams posted impressive wins while others were idle as their institutions were in final examinations last week. One of the big moves forward came from Daemen, who won twice to move up from seventh to fourth in the rankings.

The only newcomers to the top 25 this week are Southwest Minnesota State and Findlay, both of whom return to the rankings after being among the ranked teams earlier in the year.
